Subject: Campaigns & Elections Committee hearing

Hello Rep. Brandtjen.

Thank you for extending an invitation to testify at the March 31st hearing to the City. I would be the proper person to represent the City. Unfortunately, I have a scheduling conflict on that day, so the City will not be able to attend on March 31st. However, as you may know, the City of Green Bay Common Council has tasked me with drafting a report on the City's activities with respect to the election, which I am happy to share once it is complete, which will likely be ahead of the March 31st meeting.

Finally, if you are hoping to have someone attend in person, I can certainly look at coordinating for a future date. Please let me know. Thanks.
