

Hi Kris,

Can we help with curing absentee ballots that are missing a signature or witness signature/address?

We have a process map that we've worked out with Milwaukee for their process. We can also adapt the letter they're sending out with rejected absentee ballots along with a call script alerting voters (we can also get people to make the calls, too, so you don't need to worry about it). Celestine mentioned curing ballots might be something we could take off your plate.

When would be a good time to talk about it? I'm available this afternoon (after 2 PM), Friday (any time before 3) or next week. Any of those good for you?

Michael
