

- 1) Ald. Galvin stated at Council he read the report and watched the video. I told her there wasn't a report, minutes, or a video to watch of the Ad Hoc meeting before the Council meeting. So I didn't understand why that was said. She later admitted Ald. Galvin asked for her report. So he didn't know that I had talked about each point and that some of the things would be looked into. Celestine put received and placed on file so they thought nothing was being done.
- 2) I also asked who told her to go to the polling locations and report back, she said Celestine and Susan (this wasn't discussed at the Ad Hoc meeting). I have nothing to hide. She admitted there is the "group" that are discussing and making decisions. So for show I might be asked my opinion but as you can see above things have already been decided by the "group".

If I knew they would get the blame for the decisions I wouldn't say anything but just like in April when I didn't make the final decisions (even though I gave my opinion-I have the email) I will be the one to get blamed because it's the Clerk's job.

On Saturday I saw on the City's facebook page the City was supporting COVO's registration drive. No one ever told the Clerk's Office. Instead of people making appointments in the Clerk's Office we could have been giving them this option but Celestine didn't feel it was important to let us know, the ones that are taking the phone calls. Matt from DPW talked to St. Norbert College about college students helping at the polls when I was working with someone already. She has excluded me from that whole portion of the planning....it's so embarrassing!

There is one more thing I want to say: If I am ever asked to do anything against the law the answer will be NO! If you want more clarification on this please give me a call.

Thanks for listening.
